**MEMBERSHIP  
APPLICATION**

**JOINING THE EMERALD COAST DISC GOLF CLUB** and being an active member will allow you to be part of developing courses/events and communicating the benefits of disc golf. Consider this your opportunity to get involved in the community and make a difference.

So far the club has three area courses, nearly 50 members, several annual events, and been the subject of several local media articles.

**BAG TAG CHALLENGES**

offer the opportunity to support the mission and have fun doing it. Bag tags are a series of numbered tags that are created annually. Each bag tag is randomly drawn for a \$10 donation and members and non-members play throughout the year for the lowest number.

**OTHER FUND RAISING ACTIVITIES** include merchandise sales (custom discs, shirts, etc...) and event proceeds.

**ABOUT ECDGC MEMBERSHIP**

All of the money raised from memberships will be put directly into the Capital fund for supporting the mission. Member volunteers operate the association. We have a group of individuals who all volunteer a little bit of time and effort to build and maintain the courses and help organize and run events such as clinics, tournaments, etc. Disc Golf is really growing in popularity and we want to create awareness, promote adoption, and build a number of fun yet challenging courses that will be here for many years to come.
